THE CLONTARF ACADEMY

The Clontarf Academy, in partnership with Berkeley Vale Campus, works with male students to ensure they complete school through to the end of Year 10. The Clontarf Academy exists to improve the education, discipline, life skills, self esteem and employment prospects of young Aboriginal and Torres Strait Islander men.

Students need to demonstrate that they are work ready through their attitude and commitment to the education and wellbeing programs. The Academy will then support participants in their transition from school to further training and / or employment.

The Clontarf Academy and Berkeley Vale Campus are accepting enrolments for Years 7 to 10 boys to join the Academy.

“Our Culture is Celebrated”

ASL ROLL CALL

All Aboriginal and Torres Strait Islander students attend Roll Call together to grow and develop cultural connection and identity. It is a central place to share ideas, upcoming opportunities and community activities to empower our Aboriginal and Torres Strait Islander students.

STUDENT QUOTES

“I love our ASL Roll Call groups because they keep us up to date with all the upcoming events and it gives us more opportunities to get involved. Everyone supports one another; it gives us a good sense of belonging”

“We are proud to be Aboriginal at Berkeley Vale Campus because they give us so many opportunities and help us make the right decisions.

Everyone is very supportive and helpful, which makes us feel more confident.

I hope other schools provide the same education for their Indigenous students because it has really helped us all succeed at BVC”
