

BERKELEY VALE CAMPUS SPECIAL EDUCATION TRANSITION HANDBOOK

2024

to the stars

Welcome to Berkeley Vale Campus

Special Education Faculty

I acknowledge that Traditional Owners of this land The Darkinjung people have shared a connection to country that is reciprocal between humans and nature and have helped to make the land the way it is. The beautiful flora that surrounds our school and the fauna that inhabits this land makes this an amazing place to be.

I would like to acknowledge that we are on the traditional lands of the Darkinjung people, and pay my respect to Elders both past, present and future. I care for the country and the beautiful environment we are lucky enough to be in today.

Tuggerah Lakes Secondary College Berkeley Vale Campus would like you to accept our sincere welcome to our community.

For the majority of new students this is the beginning of a long association with our campus. It is our hope that this association is a happy and rewarding one and that you find ready acceptance and friendship with staff and fellow students.

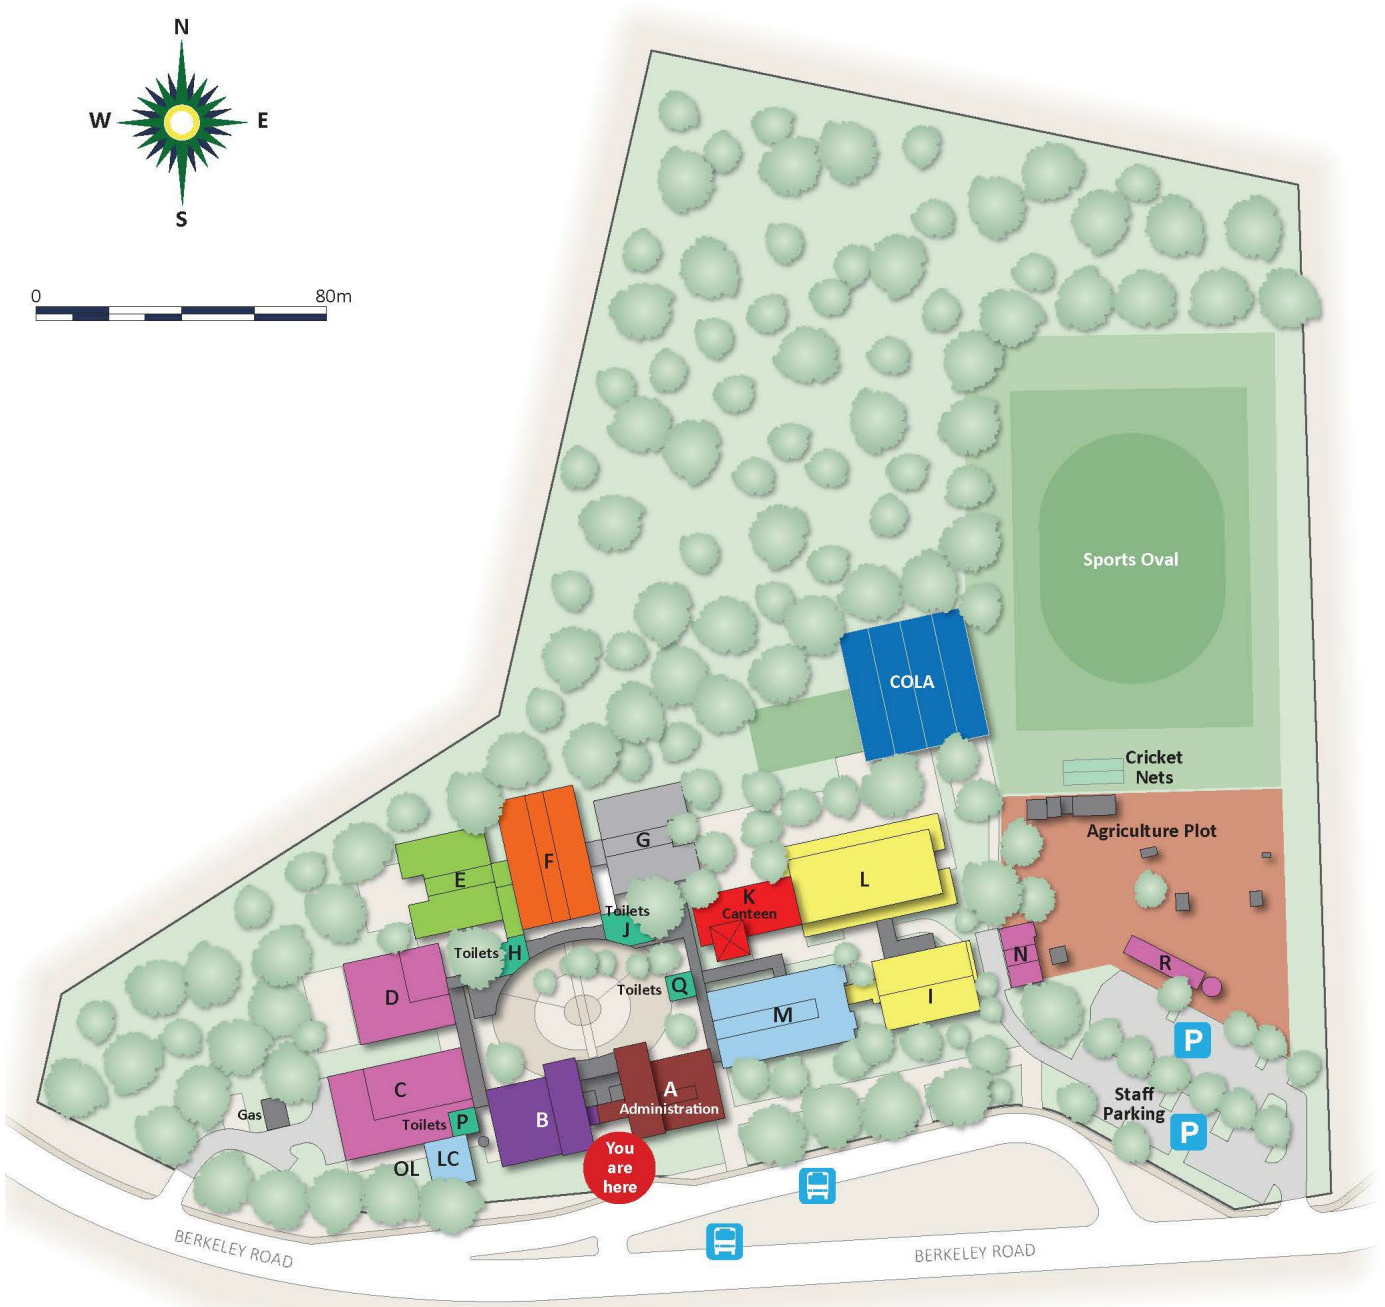

All communication from the school will be available through the Parent portal, Facebook, Instagram, Seesaw and the Berkeley Vale Campus website. Features worth your inspection include the calendar, e-forms, news feed, canteen news, bus information and uniform.

We believe that the education of young people is a partnership between the student, their parents and the school. The smooth functioning of such an important partnership relies upon communication and we encourage all parents to remain in frequent contact with the school.

Enclosed in this booklet you will find all the information about our school, the Special Education Faculty, teachers and other important information for transitioning into our school.

About Our Faculty

We have 5 classes in our Special Education Faculty.

Our students range between years 7-10 before transitioning to our Senior Campus at Tuggerah Lakes Secondary College The Entrance Campus for Years 11 and 12.

The Special Education Faculty aims to provide students with a diverse range of learning opportunities which are tailored for the individual needs of all learners. The needs and wants of the students are determined through goal setting in Personalised Learning and Support Plan (PLSP) meetings at the beginning of each school year in consultation with families.

Our faculty is well resourced and offers all students a safe and supportive learning environment. All special education classes are smaller in size which enables our specialised teaching and support staff to deliver individualised learning programs. We provide a targeted literacy and numeracy program aimed at improving the academic learning outcomes for all students.

Our faculty runs integrated units of works that aims to develop 21st Century learning skills, build real world soft skills and encourage creative and innovative learners. These units of work integrate the key learning areas of English, mathematics, science, HSIE and PDHPE aligned with mainstream outcomes.

Staff at BVC are highly committed to support the policy of inclusion and provide students with a range of extra-curricular activities and opportunities to develop independence and positive relationships with their peers.

Our faculty acknowledges the importance of positive family and community engagement and staff continually strive towards developing real life learning experiences for all learners.

We are a YONDR School

At Berkeley Vale Campus we do not allow phones to be out during class time or during recess and lunch.

When I walk into school I must put my phone in my Yondr pouch and lock it. I then place my locked Yondr pouch in my bag.

I can then reopen the case as I leave school in the afternoon.

1. POUCH

As you enter the phone-free area, your phone will be placed in a Yondr pouch.

2. LOCK

Once inside, the pouch will lock. You'll maintain possession of your phone at all times.

3. UNLOCK

To use your phone, step outside and tap it on any unlocking base.

**Suspension
Caution**

Returned to parents/caregivers.
Phone banned for the remainder
of the term.

Suspension

Phone banned for the
remainder of the year.

Positive Behaviour for Learning

PBL is based around our School Core Values of Respect, Responsibility and Achievement. Our PBL rewards system uses a currency called *Berka Bucks*. All students who earn *Berka Bucks* by demonstrating these core values are eligible to win a great prize each week at our assembly's PBL Prize draw every Friday.

You can also save your *Berka Bucks* to attend our fantastic rewards excursion or spend them on our trading days.

Ad Astra - To The Stars! BERKA BUCKS REWARDS

*You must collect the total number of BBs for each excursion
Reward Excursions are coordinated by HT TAS

Which house are you in?

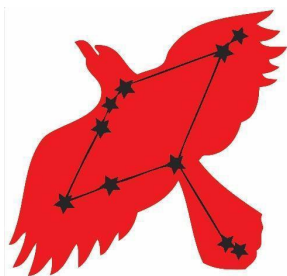

Sport Houses

Each member of the school belongs to a house named after a star in the Southern Cross Constellation.

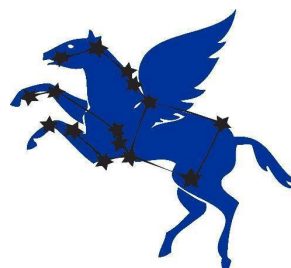

These are like four school families which compete in such activities as cross country, swimming, athletics, academic awards or fundraising and cooperate in the running of school socials, community visits, school beautification and publications.

It is hoped that these groups will provide permanent and continuing family structure within which students can be advised and supported whilst taking part in active decision making and problem solving activities within the school environment.

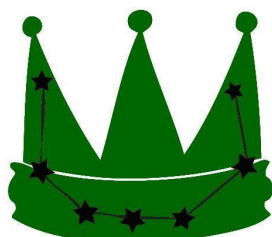

Aquila

Pegasus

Corona

Orion

Uniform

Shoes

Many subjects in school are practical. Work Cover states that shoes need to be fully covered and leather on the top to protect the feet from accidents like chemical spills, falling tools and other accidents. These can be either full black or white leather.

Transport Safety Program

Our Transport Safety Program is designed to provide students with real life learning experiences to improve travel safety skills in the community. The program is aimed at improving the critical skills needed to become safe and responsible members of the wider community. Students focus on developing their ability to access a variety of public transport options including buses and trains. The program encourages students to develop their independent living skills, time management skills and improve student's capacity to identify risks and protective strategies.

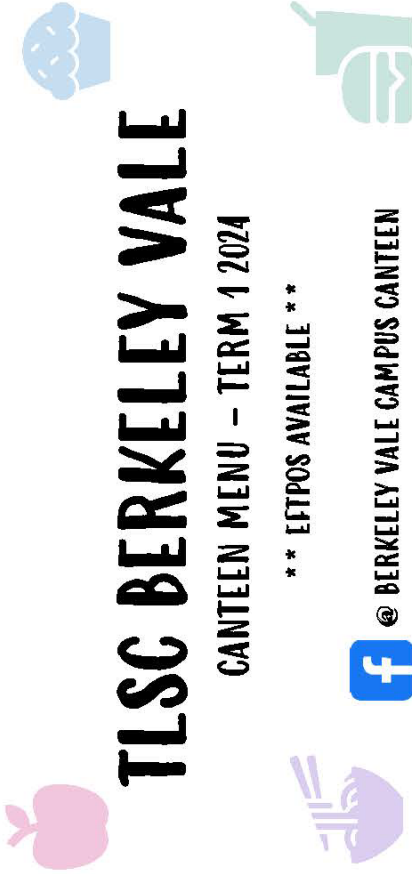

Personal Interest Elective

The Personal Interest Elective is an opportunity for the students to incorporate something they are interested in and enjoy doing into their learning each Friday. The Personal Interest Elective allows students to explore their interest as part of a team.

The aim of the Personal Interest Elective is to improve soft skills including time management, team work, creative thinking and networking in order for our students to be functioning members of society.

Things to do at recess and lunch

What do I do if.....

I get sick at school..	Report to a teacher and go to Sick Bay
I lose my timetable..	See your teacher and request a new one to put into your diary
I am late..	Sign in at Mr Montgomery's Office with a note explaining why you are late and you will receive a late pass. Once you have the pass go to class
I miss my bus/transport home..	Tell a teacher/office and they will ring your parent/carer
I am getting picked up early...	Your parent/carer must contact the taxi service to let them know the changes. Report to the office and they will collect you from there
I am being bullied..	Tell either your class teacher, Ms Apps or Mr Sanderson
I am away sick from school..	Parent or carer is to contact the school with explanation. You must bring a note to school explaining why you were away within 7 days
I need to contact my parent/ carer whilst I'm at school..	Ms Apps will help you make a call home
I am out of uniform..	Bring a note from home and hand it to your teacher for a uniform pass
I forgot my lunch..	Tell your teacher See the Wellbeing Team and they can provide you with something to eat

Packing my backpack for High School...

What things will I need?

I must remember to wear the correct shoes – I will not be allowed to participate in some classes as it is not safe. I need to wear fully enclosed black leather shoes.

What do I need to pack for school each day?

My recess and lunch

My pencil case with:

- A blue pen
- A black pen
- Lead pencil
- Eraser
- Gluestick
- Sharpener

My books – one for each subject with my name clearly printed on the front

Your books can be kept at school each day if you choose

PE uniform for the days I have Sport

Year 7 Stationery Pack

Berkeley Vale Campus Year 7 MCAT Stationery Requirements 2024

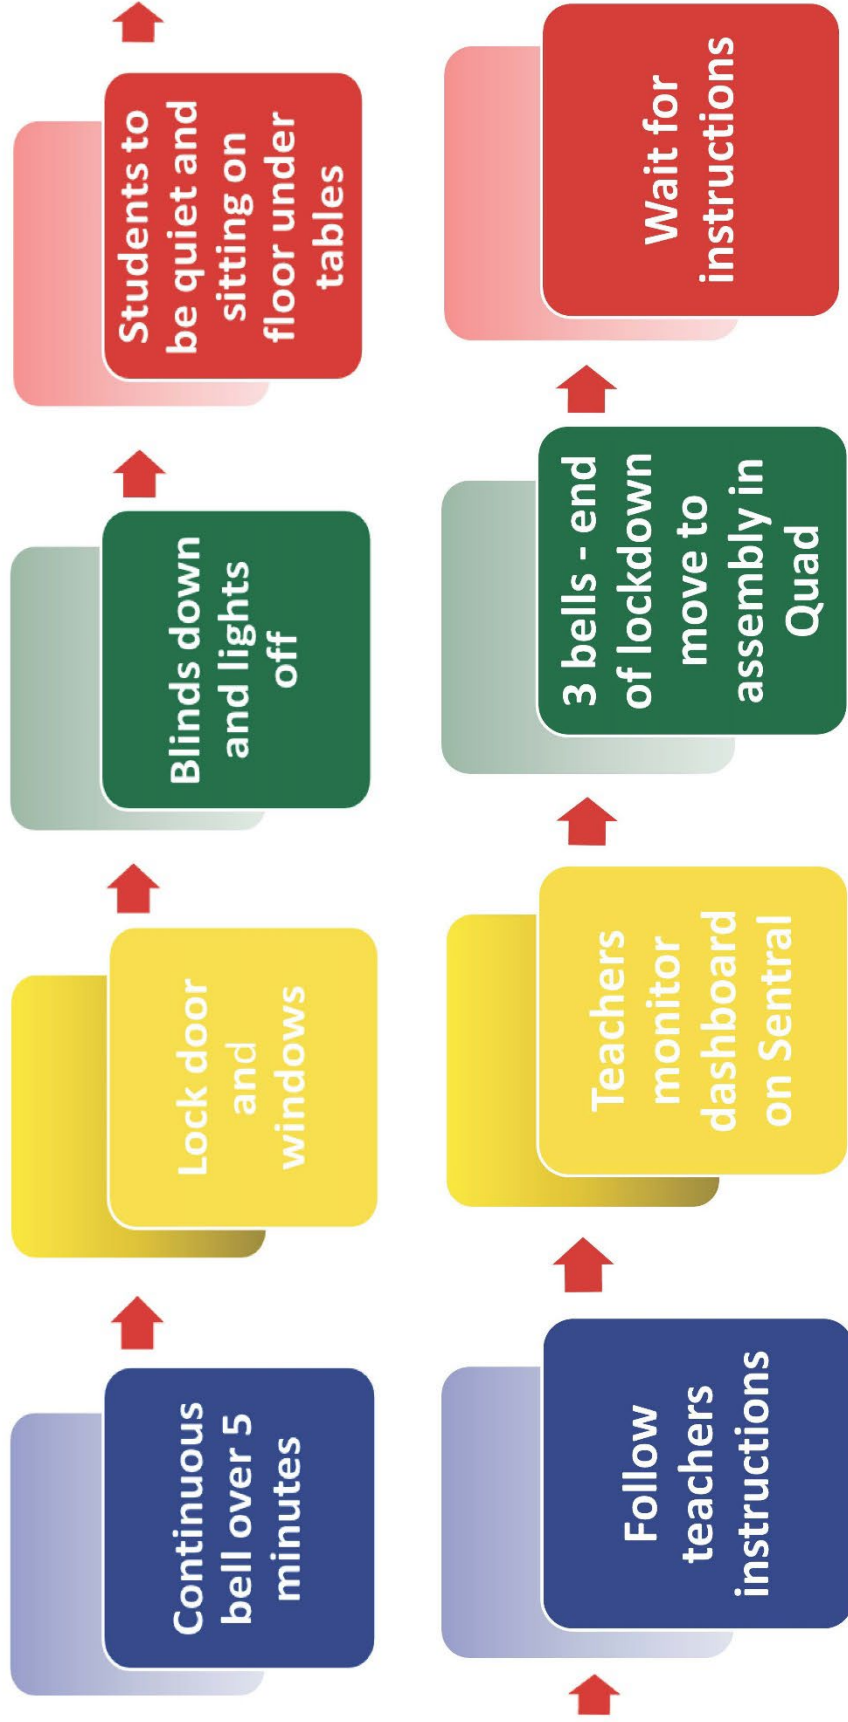

Please ensure all books are covered and clearly labelled with the student's name and subject. Please ensure all other items are clearly labelled with student's name (Don't forget to label all uniform items as well)

ART	1 x A4 Visual art diary
HUMANITIES	3 x A4 128 Page binder book with ruled margin 1 x A4 48 Page binder book with ruled margin
LANGUAGE	1 x A4 128 page binder book with ruled margin
